Financial Summary for the Second Quarter, 2026 (April 1 – June 30)

This memorandum provides a summary of the Belomar Regional Council's financial activities for the second quarter of 2026, covering the period from April 1, 2026, through June 30, 2026.

During this quarter, the Council managed total receipts of $2,308,125.63 and total disbursements of $2,397,604.94, resulting in a net decrease of $89,479.31 for the period. This variance reflects the timing of grant drawdowns and the disbursement of pass-through funds for state and federally funded programs administered by the Council.

Summary of Receipts

Total receipts for the quarter were primarily composed of federal and state grant funding administered by the Council on behalf of its member communities. The Area Agency on Aging accounted for the majority of incoming funds, reflecting its central role in delivering critical services throughout the region. Management Services and Transportation receipts reflect ongoing project administration, planning activities, and reimbursement-based funding streams, while Agency receipts consist primarily of member contributions, fees, and incidental revenues.

Department	Amount Received ($)	Percentage of Total
Aging	1,985,339.59	86.02%
Management Services	193,384.47	8.38%
Transportation	126,158.81	5.47%
Agency	3,242.76	0.14%
Total	**2,308,125.63**	**100.0%**

Summary of Disbursements

Disbursements for the quarter largely consisted of pass-through payments for aging services, project administration costs, payroll, and routine operational expenses. Expenditures are aligned with the Council's core responsibilities as a provider of aging services, regional planning and management support, and transportation planning activities. The distribution of expenditures reflects the Council's role as an administrative and fiscal agent for multiple state and federally funded programs.

Department	Amount Disbursed ($)	Percentage of Total
Aging	1,883,698.35	78.57%
Management Services	298,372.01	12.44%
Transportation	89,185.25	3.72%
Agency	126,349.33	5.27%
Total	**2,397,604.94**	**100.0%**

Conclusion

This summary provides a clear and transparent overview of the Council's financial stewardship for the second quarter of 2026. While disbursements exceeded receipts during this period, this outcome is consistent with the timing of grant reimbursements, payroll cycles, and the delivery of program services across quarters.

The full, detailed quarterly report prepared in accordance with West Virginia Code §8-26-3 is available for review. We welcome any questions from the Board and our member governments.

Subject: Quarterly Financial Report for the Period Ending June 30, 2026

In accordance with the requirements of West Virginia Code §8-26-3, the Belomar Regional Council and Interstate Planning Commission respectfully submit this quarterly report, containing an itemized account of its receipts and disbursements for the period beginning April 1, 2026, and ending June 30, 2026. This document is provided to ensure full financial transparency and accountability to the municipalities and counties that contribute to the financial support of the commission and its work.

As an interstate planning commission serving communities in both West Virginia and Ohio, the Belomar Regional Council is committed to upholding the highest standards of fiscal stewardship for all its partners. While this report is mandated by West Virginia statute, it is prepared and distributed to all contributing member governments in both states as a core component of our commitment to open governance and regional cooperation. We believe that transparent financial reporting is fundamental to the trust and collaboration necessary to advance the economic and community development goals of our entire service area.

The Council remains dedicated to its mission of fostering a cooperative effort in planning and development for the general welfare of the region through the joint participation of citizens and elected officials. We welcome any questions regarding the contents of this report.

Respectfully,

Andrew Moretz

Andrew Moretz, Finance Director
Belomar Regional Council

II. Consolidated Financial Summary

This section provides a consolidated, high-level overview of the Belomar Regional Council's financial activities for the reporting period. The purpose of these summary statements is to offer a clear and immediate understanding of the Council's financial position, translating detailed transactional data into strategic categories. This presentation is designed for efficient review by elected officials, stakeholders, and the public, providing context for the itemized accounts that follow in Section III. The structure is informed by best practices in governmental financial reporting, such as those outlined for annual reports under West Virginia Code §8-25-13, which emphasizes the value of consolidated statements for clarity and oversight.

Statement of Receipts by Department

The following table aggregates all incoming funds received during the quarter, categorized by their primary source. This summary illustrates the diverse funding streams that support the Council's operations, including federal and state program grants, local member contributions, and fees for direct services. This allows for a quick assessment of the Council's revenue structure and its reliance on various intergovernmental partners and funding programs. The Belomar Regional Council serves as a vital conduit for federal and state investment in the region, and this table reflects the successful administration of those funds on behalf of its member communities.

Department	Amount Received ($)	Percentage of Total
Agency	3,242.76	0.14%
Aging	1,985,339.59	86.02%
Management Services	193,384.47	8.38%
Transportation	126,158.81	5.47%
Total Receipts	**2,308,125.63**	**100.00%**

Statement of Disbursements by Programmatic Function

The following table aggregates all expenditures for the quarter, categorized by the Council's primary programmatic and administrative functions. This format connects spending directly to the mission and services that the Belomar Regional Council provides to the region. It demonstrates how financial resources are strategically allocated to fulfill its responsibilities as a Metropolitan Planning Organization (MPO), an Economic Development District (EDD), and a provider of management and aging services. By aligning expenditures with these core functions, the Council demonstrates accountability for the use of public funds and provides a clear narrative of its value proposition to member governments. Each category represents a significant investment in the region's infrastructure, economic vitality, and quality of life.

Department	Amount Disbursed ($)	Percentage of Total
Agency	126,349.33	5.27%
Aging	1,883,698.35	78.57%
Management Services	298,372.01	12.44%
Transportation	89,185.25	3.72%
Total Disbursements	**2,397,604.94**	**100.00%**

III. Itemized Account of Financial Transactions (Statutory Requirement)

This section presents the detailed, itemized account of all financial transactions for the quarter, as explicitly required by West Virginia Code §8-26-3. The tables below provide a complete and transparent record of every receipt and disbursement, intended to be fully auditable. This granular level of detail serves as the foundation for the consolidated summaries presented in Section II and demonstrates the Council's commitment to meticulous financial management.

The structure of these tables is designed not only to meet the state's legal requirements but also to support the tracking and reporting standards of the federal and state agencies that provide a significant portion of the Council's funding. The itemized tables identify the date, source or payee, programmatic classification, and amount for each transaction, allowing the Council to trace quarterly cash activity to its underlying financial records. To effectively provide this service, the Council must model the highest standards of financial control in its own operations. This dual-purpose reporting structure—satisfying both state transparency laws and federal grant compliance—is an example of the administrative efficiency the Council strives to achieve. It ensures that every dollar is accounted for and properly attributed to its intended program and funding source, building confidence among all stakeholders and streamlining future audits.

Statement of Certification

I, Andrew Moretz, do hereby certify that the information contained within this report is, to the best of my knowledge and belief, a true and accurate itemized account of the receipts and disbursements of the Belomar Regional Council for the quarter ending June 30, 2026, prepared in accordance with West Virginia Code §8-26-3.

Glossary of Key Terms and Acronyms

This glossary is provided to enhance the clarity and accessibility of the report for all readers. The work of a regional planning commission involves specialized programs and terminology. This section aligns with the public policy of the State of West Virginia, which entitles all persons to "full and complete information regarding the affairs of government". By defining these terms, the Council seeks to make its work more understandable to the public it serves.

- **ARC (Appalachian Regional Commission):** A federal-state partnership that works for sustainable community and economic development in the Appalachian Region.
- **CEDS (Comprehensive Economic Development Strategy):** A strategy-driven plan for regional economic development. An EDA-approved CEDS is a prerequisite for a region to be eligible for EDA assistance programs.
- **EDA (U.S. Economic Development Administration):** An agency within the U.S. Department of Commerce that provides grants and technical assistance to economically distressed communities to generate new employment, help retain existing jobs, and stimulate industrial and commercial growth.
- **EDD (Economic Development District):** A geographic area comprised of at least one county, designated by the EDA, with a CEDS and an organization to implement it. Belomar is the designated EDD for its service area.
- **FHWA (Federal Highway Administration):** An agency within the U.S. Department of Transportation that supports state and local governments in the design, construction, and maintenance of the Nation’s highway system.
- **LDD (Local Development District):** a multi-county regional planning and development organization designated pursuant to West Virginia Code §8-26-1 et seq. to carry out planning, economic development, grant administration, and related regional services on behalf of its member jurisdictions.
- **MPO (Metropolitan Planning Organization):** A transportation policy-making organization made up of representatives from local government and transportation authorities, federally required in urbanized areas with populations over 50,000. Belomar is the designated MPO for the Wheeling, WV-OH urban area.
- **ODOT (Ohio Department of Transportation):** The state agency responsible for developing and maintaining Ohio's public transportation and aviation systems.
- **TIP (Transportation Improvement Program):** A federally required, four-year prioritized program of transportation projects receiving federal funds. The TIP is developed and maintained by the MPO in cooperation with the state and public transit providers.
- **UPWP (Unified Planning Work Program):** A document prepared annually by an MPO that describes all transportation planning activities anticipated within the metropolitan area during the coming fiscal year.
- **WVDOT (West Virginia Department of Transportation):** The state agency responsible for planning, building, and maintaining West Virginia's transportation system.
